Join us for our annual party in partnership with Women in Property South West branch! Expect a musical evening, with our four generous sponsors embracing some of our favourite musicals, getting into character and serving up some treats!

Always one to be looked out for in the diary, we are excited to be partnering with WiP for another year in an interactive networking evening with its usual twist!

Hosted at Bristol's very own MShed, this event will be one of the biggest in our calendar for the year and is not one to be missed!

Ticket price includes three drinks, and four bowl food options.

We will be raising funds for our chosen charity of the year – Penny Brohn on the night via a raffle, so please help us support this worthy cause by buying tickets for some great prizes!
